DEVELOPMENT WEEK
CONFERENCE

SBA Provides Powerful Partnership for MED Week 2010!

Scheduled for August 25 - 27, 2010 at the Omni Shoreham Hotel in Washington, DC, the 2010 National Minority Enterprise Development (MED) Week Conference will provide a comprehensive platform for Minority Business Enterprises (MBEs) to learn the intricacies of working with the Federal Government. One of MBDA's chief partners in this event is the Small Business Administration (SBA), who will be providing three unique opportunities within MED Week:

The Mentor-Protégé Conference – Monday, August 23rd (all day): this MED Week “pre-conference” requires separate registration (sba.mybusinessmatches.com) and is designed to assist 8(a) firms in their efforts to learn more about the SBA's Mentor-Protégé Program, joint ventures and meeting potential mentors. The Conference will include training and one-on-one and virtual matchmaking sessions.

Win Government Contracts for Your Small Business – Wednesday, August 25th (2:30 PM – 4:30 PM): led by John DiGiacomo, author of “Win Government Contracts for Your Small Business,” this session will show you how to use the Internet to find government contracts, where to find government buyers and how to write and submit winning proposals.

Marketing your Small Business to the Federal Government – Thursday, August 26th (1:45 PM – 5:05 PM): designed to help small business with the many questions they wrestle with on a daily basis, this session will talk attendees through such issues as “how do I get started with the federal government?,” “what are the options available for promoting my company?,” “what are the alternatives for a Fed BizOps search?” and many others.
